

MRASF Scholarship Payout Process

The MRASF Scholarship payment will be distributed at the end of the first year of post-secondary education upon receipt of the following required documents. All documents must be submitted to the High School Office in order for a payment to be initiated.

Required Documents:

- Completed MRASF Scholarship Payout Form
- Official school end-of-year transcript indicating classes taken during the first year of their program and cumulative GPA of 2.5 or higher or a certificate showing successful completion of their program.

The reimbursement request shall be submitted to the McBain High School Office by August 1st after conclusion of the first school year.

If all of the above requirements are not met, payment of the scholarship will not generally be made. Only in extreme cases, such as death in the family or serious medical hardships, will exceptions be considered. Exceptions must be evaluated and approved by a majority of the MRASF officers if deemed appropriate before any payout will be made.
